

## COOL DIEHL – Blocks #12

Teresa Raleigh 2015/2016 BOM

\*\*\*Measurements for SMALL quilt; LARGE in (parentheses)

### Cut:

Three 1-1/2" (1-3/4") **Print** squares from 3 different fabrics  
Six 2-1/4" (3") **Background** squares from 6 different fabrics

*Our final block is an easy one!!! My Christmas present to you LOL ♥♥♥*

### Making the Units

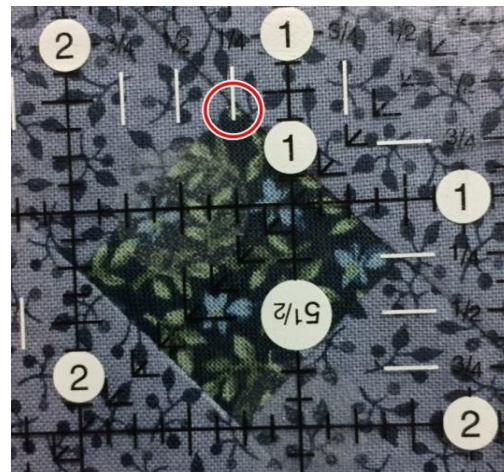

1. Cut the Background squares in half diagonally, to give you 12 triangles.
2. Fold to crease the middles of each **Background** triangle (long edge) and all four sides of each **Print** square.
3. Using the creases to line up your pieces, sew a **Background** triangle to each **Print** square, RST.

Sew another triangle to the opposing side of the square. Press toward the square. Trim edges even with the square as shown below.

4. Now line up and sew two more triangles to the remaining sides of the square. *Remember to mix up your fabrics so you have a different background fabric on all four sides of each unit.* Press toward the triangles. It is important to be sure you center your inner square when squaring up your unit to measure 2-1/2" (3-1/2"). Also keep your square perfectly diagonal by making sure all 4 corners are intersected by a line (example on right - my sample unit).

5. Make 3 units. Stitch them together as shown in the photo above right to make your block.

Seams 1/4" unless noted otherwise  
HST = Half-square Triangle  
RST = Right sides together
