

After all four cuts:

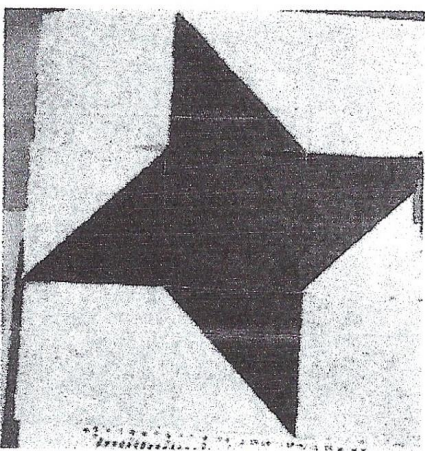

My seams are light, so it is hard to see them here, I'm sorry for that. But you can see we have eight (8) HSTs from each set of 10" squares.

We will press these toward the darker fabric, followed by trimming them down to 4-1/2".

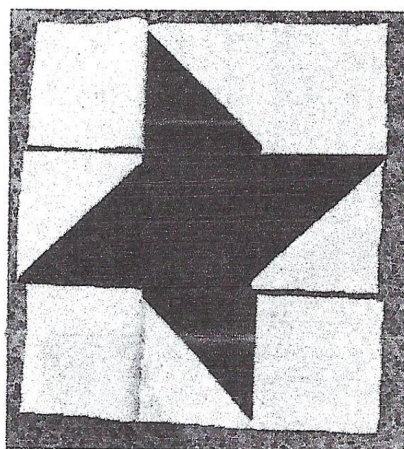

Time to assemble our friendship star. Pretty easy block for today! We will construct this in a 9-patch manner. Deconstructed and progress pics follow.

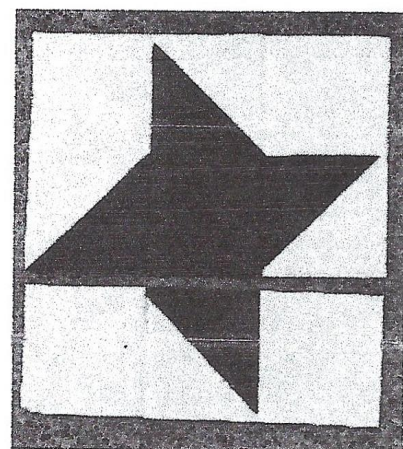

Deconstructed:

Last row addition:

And finally for today:

You can spin your star in either direction, but I would be consistent with ALL stars spinning in the same manner.
